# Navchitra Designs Advantages

## PEOPLE & ASSOCIATES

*Navchitra Designs is an incorporation of service specialists, research teams, and architectural designers, supported by meritorious associates, striving for in-depth design solutions across a wide range of typologies and efficient project delivery. Navchitra Designs is backed by a conglomerate of service engineers supporting all their projects, including a battery of structural engineers, electrical engineers, HVAC consultants, plumbing consultants, and fire consultants. Additionally, Navchitra Designs has an in-house team of architects, interior designers, 3D visualizers, artists, material procurement managers, accountants and finance professionals, project managers, site engineers, and supervisors.*

## VARIED EXPERIENCE

- *Over the years Navchitra Designs has successfully completed various types of projects including commercial buildings , industrial plants, corporate offices, residential villas, apartments, retail fit outs, restaurants, gyms etc.*
- *Our team has successfully completed and handed over more than 200 projects during last twenty years of Experience.*

## One to One Client Interactions

*Explaining Designs and Plans to CEO Mr. Amit Lohia and Chairman Mr. S.P.Lohia of INDORAMA Corporate office.*

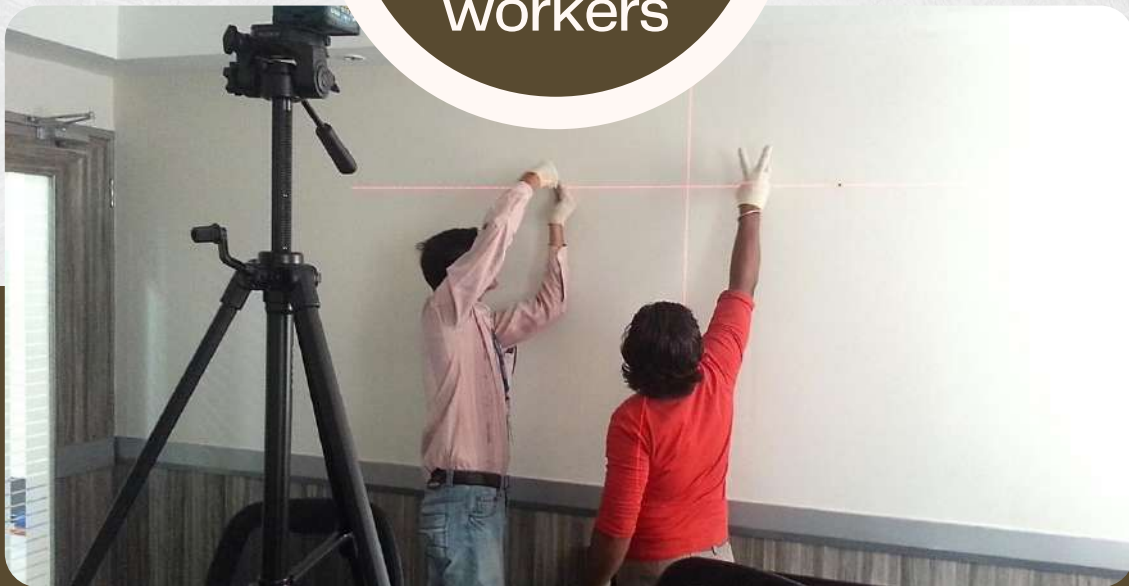

# Our Commitment

PRECISION+PERFECTION+QUALITY

Harworking  
& Finish  
workers

*Electronic and Laser guided Plumb, Levelling, Measuring equipment, state-of-the-art tools, and world-class material ensuring precise and perfect build and finish quality with timely project delivery.*

# Our Commitment

## ON-TIME PROJECT DELIVERY

1

### **DISCOVERY**

Where we learn about your organization needs and desires.

2

### **DESIGN**

Where we generate ideas and brainstorm solutions.

3

### **DRAFT**

Where we develop and finalize design.

4

### **PURCHASE**

Where we start to bring your design to life.

5

### **ADMINISTER**

Where we ensure that all goes according to plan

6

### **INSTALL**

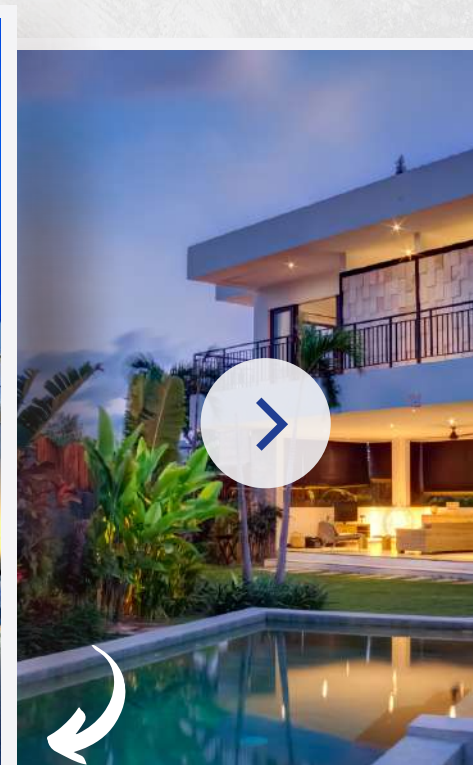

Where your new design comes to life

# Meticulous Project Execution

## ON-TIME PROJECT DELIVERY

- *Each project is assigned a dedicated project manager ,a procurement executive and a few technical services supervisors.*
- *In-house Design and Planning team , in coordination with project manager, evolve a detailed project implementation with an all fit-out and installation related program and timelines.*
- *The entire team of designers and planners aim to ensure the timely completion and handover of the project while the principle architect with his long experience and acumen ship.*
